# CLSD MISSION STATEMENT

- It is the mission of Coast Life Support District to provide and assure high quality healthcare facilities, services and emergency care, as well as citizen health education and well being to all residents and visitors within the community that supports it.

# ENABLING LEGISLATION

- CHAPTER 3 . PURPOSES AND POWERS OF THE DISTRICT
- Article 1. Purposes
- SEC. 40.
- The district may exercise the powers hereinafter granted for the purpose of supplying to the inhabitants of the district emergency medical services, including emergency ambulance services, basic life support services, limited advanced life support and supplies, within and without the district subject to the provisions of Division 2.5 (commencing with Section 1797) of the Health and Safety Code.

# EXPANDED AUTHORITY

## SEC. 41

- If approved by a majority of the electors of the district voting in an election upon the proposition, the district may exercise the powers hereinafter granted for the following additional purpose: establishment, maintenance, and operation of one or more health care facilities at any location within the district for the benefit of the district.
